

August 7, 2019

Dear Parents of Seventh Graders,

As the summer comes to a close, I would like to share a few details with you all on the upcoming year.

I hope by now you have all signed up for an individual meeting with me. If not please do so by going to the email that Leslie Bissalion sent at the end of July. These have proved very helpful in giving me the opportunity to hear from you about your daughter or son, and for you to get to know me in my new role as the 7th Grade Class Advisor.

On Sept. 19th we are having an all school evening during which Sue Das, our new school director, will address the parent community. Following Sue Das's presentation, all parents will go to their respective classes for the first official class night. This will be an important meeting to attend both in hearing from Sue Das and hearing about the 7th grade year. Full attendance for the first meeting is always a great way to start the year. We will have been to Glenbrook by then so observations from the trip will be shared.

Our Sept 3rd meeting is cancelled.

Your son or daughter should be prepared with the following school supplies on the first day of school.

- Binder
- Pens: Both fountain and regular
- Pencils: Both lead and colored
- Lined paper
- Eraser
- Ruler
- The list of books your child has read over the summer.
- Sports permission form filled out

The first block for the 7th graders will be a science block with Ms. Arches.

As of this letter we welcome new students Ana Reed, Gigi Greene and Caroline Weld to the 7th grade.

This year will be a big change for the seventh graders and one I think they are ready to take on. I look forward to guiding them as they grow and change in these adolescent years.

Here's to a year of discovery!!

Enjoy these last weeks of summer ~ "Some of the best memories are made in flip flops!"

Sincerely,

Krista Palmer  
7th Grade Class Advisor
